

If you direct a letter to me as above, in case I move I shall be  
very sure to get it.

as good and pure water as ever man drank in England  
It is a happiness to man, to dwell for a season, in such  
a pleasant location in a retired section where the drums and  
fifes of our enemy are not heard. Yet I fear very soon all of our  
joys will be turned into sorrow: and the long roll sounded for  
us to fly to arms, to meet our enemy in his onward move
